Women building better communities

Request for Proposal -- Projects that Empower Women

The Junior League of Monmouth County's (JLMC) community focus is Empowering Women. Our members are currently engaged in developing a *Life Skills Training Program* as our primary community project. In addition to this primary project, the JLMC will periodically pursue supplemental short and medium-term projects that empower women and teen girls. We would like to invite you to consider the JLMC as a resource for volunteer support. While we may not be able to fulfill all of the requests for support we receive, we want to do our best to be responsive to the emerging needs in the community.

Examples of short and medium-term projects include (but are not limited to):

- Women's Empowerment Nights
- Facilitating group activities
- Community outreach and education
- Aggregating information for distribution
- Indoor improvement projects (renovations, redecorating)
- Outdoor improvement projects (cleanup, parks, playgrounds)
- Collecting / donating items
- Serving (food pantry)

Guidelines:

- Preference will be given to projects that Empower Women or Teen Girls in Monmouth County.
- Applications will be accepted at any time for projects beginning September 2008 and later.
- Please submit application three months prior to project start date, if possible.
- Applications must include application form. Attachments with more detail are welcome but not required.
