JUNIOR LEAGUE OF MONMOUTH COUNTY (JLMC) HOSTED ALEC BALDWIN AT THE TWO RIVER THEATRE

In a rare personal appearance, Alec Baldwin traveled to the Two River Theatre to speak informally to JLMC supporters and answer questions about his extensive career as a stage, film and television actor. The JLMC is indebted to Mr. Baldwin for so graciously and unceremoniously helping to raise funds to continue programs which do so much to benefit the lives of at-risk families in Monmouth County. Duxiana in Red Bank (and in other N.J. locations) held an open house "pajama party" to collect pajamas and other gently used clothes and toys for a children's orphanage in Haiti called "Project Hope." The donations were very generous and will be sent directly to Les Cayes, Haiti, where the orphanage is located.
